Ever since 1818 we have brewed our bottom-fermented Oktoberfest Bier during Oktoberfest – Germany's favourite Oktoberfest beer and a true institution in Munich. The glass is full of October sunshine, strong and golden. The perfect balance of a light taste of hops and a strong note of malt. This beer is only brewed for the Oktoberfest. A distinguishing feature from other festival beers is the particular harmony of balance between the sweeter taste of malt and that of the hops. The initial mild taste followed by a stronger note, invites you to take a second taste. By tradition it is also slightly stronger than a normal Lager, but the high grade of fermentation makes it particularly easy to drink. NOT AVAILABLE IN BURLINGTON AND MERCER COUNTIES
